

## WEDDING PLANNING + WEDDING DAY CO-ORDINATION SERVICES

Services included;

### **Dream Wedding/Creative Concept/Theme**

Whether is a standard cookie cutter type of wedding or a completely original theme wedding, we're able to plan and make your wedding day, your day to remember.

### **Wedding Planning and Budgeting**

- A full understanding of your budget and your requirements will be the 1<sup>st</sup> thing we do. Only then, can we continue the next phase of the planning program.

### **Sourcing and Recommending of required Service Providers**

Recommendations of services will be based on your requirements and budget. We will also select the most suitable vendors that will meet your requirements, however, the end decision is still entirely yours to make. As your Wedding Consultant, it is our job to look into the interest of each and every client that we have.
